NUTRITION FOR LIFE

As you first enter the booth you will be greeted by an usher at the reception desk and will be taken on a journey of knowledge and moments creation with your precious baby.

Our booth is designed with soft hues of blue, white, and beige to evoke a sense of purity & calmness, while the rounded forms and cloud motifs symbolize protection & care. Every detail reinforces Nutridar's belief that nutrition is not just science, but love in action.

ENGAGEMENT IDEAS

NUTRITION QUIZ

We offer A digital touchpoint for mothers in the form of an ipad quiz to test their knowledge about their baby's nutrition . at the end of the quiz the mothers will be provided by a nutrition plan specified for their babies.

SAHHA PHOTO MOMENTS

This is what comes in mind when we want to capture a special moment for you to hold as a memory with your baby using an instant polaroid camera.

- Soft moon chair
- Cloud backdrop
- "Sahha Moments" neon sign
- Instant printed photos

BABY SENSORY WALL

A safe, tactile play area for babies up to 8 months. This area was created with different sensations which aids more in the sensory development of your baby's brain.

AROMATHERAPY RELAXATION CORNER

You need a few minutes to unwind? No worries, we have got your back with our special aromatherapy corner where we provide soft cushioned arm chairs and an essential oil diffuser for mothers to have a few minutes for themselves and communicate more together.
